Blount Pride
February 10 · 🌐

If this drag felony bill passes, drag performances on public property or where they can be seen by someone who is not an adult would be banned effective April 1, 2023. A first offense for a performer would be a Class A misdemeanor, but a second or subsequent violation would be a Class E felony.

Meaning the event we held in 2022 will be illegal in 2023 if this becomes law.

Our community needs to speak out against these blatantly discriminatory bills. Please take the time to call if you are able! If you have phone anxiety, call after hours to leave a message or join a phone bank like the one happening 2/13 - https://www.facebook.com/events/728725782023483
